

The Nutritional DNP Wellness Plan

THE DIPHASIC ANTI-AGEING NUTRITION PLAN (DNP) requires no clinical testing and is applicable to everyone.

DNP IS YOUR ANTI-AGEING FOUNTAIN OF YOUTH

In short, the DNP will increase your defenses against 2 vitality-destroying pathological processes ---pathological hyperplasia and pathological disintegration --- the 2 fundamental pathological processes that define [premature aging](#). The Nutri-Spec DNP increases Adaptive Capacity by increasing Vital Reserves.

THE DNP DIET: The foundation of the DNP is the [NUTRI-SPEC Fundamental Diet](#).

DNP SUPPLEMENTS: Nutri-Spec DNP supplements are specifically formulated combinations of metabolic activators, adaptogens, and anti-oxidants. These give the [Diphasic Metabolic Cycle](#) a powerful boost. Working synergistically and timed to facilitate the daily diphasic cycle, they increase Vital Reserves and Adaptive Capacity to minimize the anabolic/hyperplastic and oxidation free radical catabolic components of aging.

DNP SUPPLEMENT RECOMMENDATIONS: DNP supplement recommendations are individualized (specific supplement additions, substitutions, and deletions) depending on:

- 1. Age (22 - 32; 32 - 52 & over 52) and the level of vital reserves** (those who are weak and sick vs. those who are generally healthy and strong).
- 2. Severe pathological conditions as manifested in:**
 - *Cardiovascular Disease / Hypertension*
 - *Asthma*
 - *Mucous Colitis/Chronic Diarrhea*
 - *Seizures*
- 3. Severe Immuno-Neuro-Endocrine Stress as manifested in:** *Chronic Fatigue Syndrome, Fibromyalgia, Major Depression, Bipolar Disorder, Multiple Chemical Sensitivities, Post-Traumatic Stress Disorder, Autoimmune diseases (rheumatoid arthritis, lupus, insulin-dependent diabetes of adult onset, Crohn's disease, ulcerative colitis, Sjogren's, Reflex sympathetic dystrophy, Hashimoto's and Grave's), Immune-related neurodegenerative diseases (Parkinson's, Multiple Sclerosis, ALS, Mixed Mold Mycotoxicosis, Eosinophilic Fungal Rhinosinusitis and other chronic yeast/fungal infections.*

Because there are so many factors influencing DNP recommendations to be considered, it is often helpful to have a consultation with the doctor. Before the consult, it is important for the doctor to know your health status. Therefore, the DNP assessment begins with the submission of the [DNP Questionnaire](#). This is followed by a phone consultation with the doctor.

The cost of the consultation is only \$35. The fee is billed by email invoice and paid by credit card through PayPal.

You can access the [DNP Questionnaire](#) in PDF format can be accessed [here](#).

After you fill out the form, simply return it by e-mail (or regular mail). Send DNP Questionnaire by email to: lijdcm@gmail.com or by regular mail to: Bio-Active Nutritionals 905 East M L King Jr. Drive #212 Tarpon Springs, Fl 34689

Upon receipt, you will be contacted to set up a time for the phone consultation.
